ZOE'S WORLD

5 x 5 minute animated episodes.

A story about a popular 10 year old girl who loses her vision and her journey to find a new normal in life.

This is for any 6 - 9 year old child who can sometimes feel overwhelmed and lost with the pressures of fitting in at school.

Episode ideas

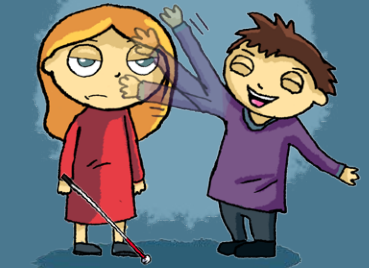

1. I can do it

Zoe is challenged by everyday things she has to do at home and school. Zoe accepts and learns how to use her cane.

2. Look with me

Zoe is noticing her peers and teachers are underestimating her and she is being left out of activities. She learns to teathered run and shows she can compete at the sports carnival..

3. Crush

Zoe and Emma begin to notice boys and Zoe mentions she has a crush on Liam. They devise a plan and approach their crushes.

4. Challenge accepted

Zoe struggles with classes especially maths and is feeling overwhelmed. Lisa coaches and encourages Zoe to enter the debating competition.

5. Unstoppable

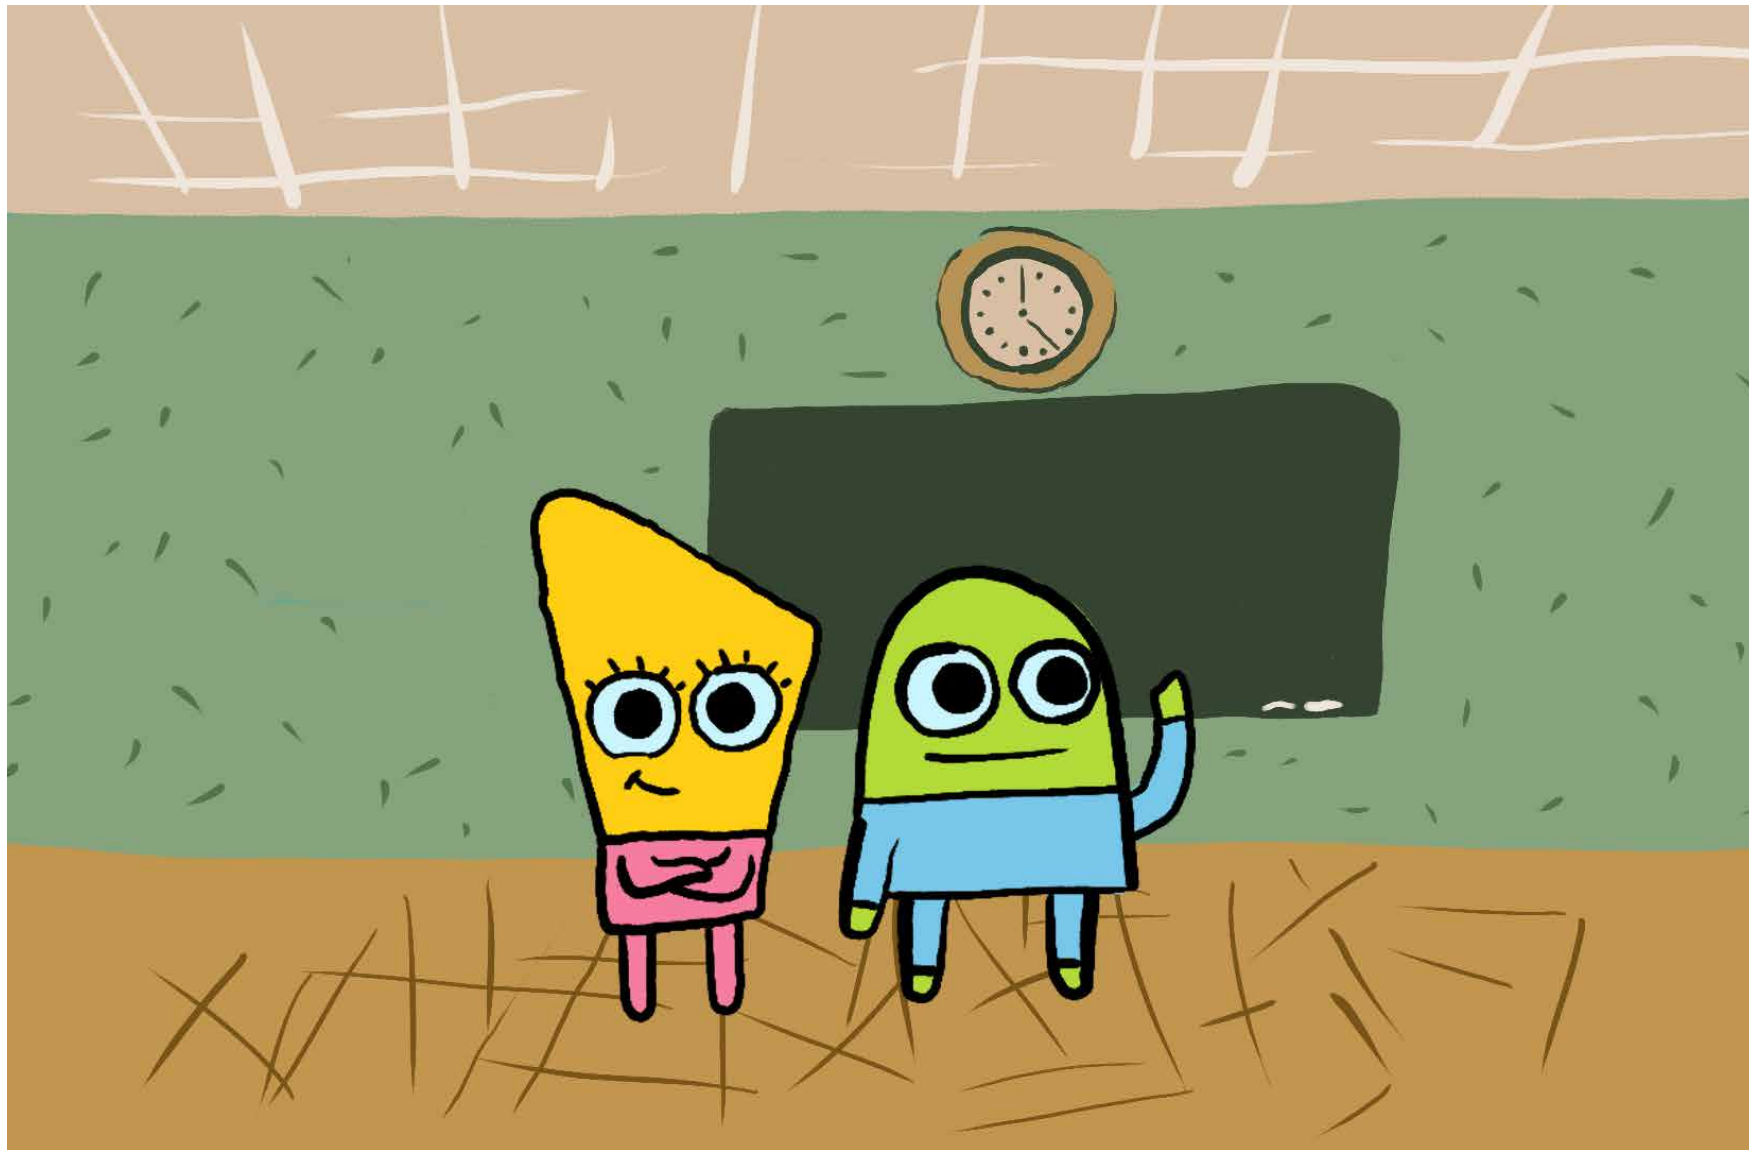

With Zoe having now reclaimed her independance and confidence, she learns to forgive Olivia, and the two regain their friendship.

Every day just before sunset, Alex would climb onto his roof and watch the big, blue waves crash below.

“That one was huge!”

Alex said to his toy koala, who didn’t say much but seemed to enjoy the view.
